Search Notes	Date	Examiner
Searched applications PGPub for amendment support, see East search history	8/1/2008	/MLP/
East search, update, class/sub + words, see East search history	8/1/2008	/MLP/
East search, update & additional search, class/sub + words, includes interference review, see East search history of the now	2/12/2009	/MLP/
Attempted to retrieve a possibly useful reference cited in the US patent, but it was checked out of the PTO library so not available, & not available through Google, however was cited in interesting physics review letter article, but not possible to print out a complete page of journal articles from my computer, so can't properly use or cite article.	2/13/2009	/MLP/
